## **Made in the U.S.A.**

All of our harnesses are hand assembled in the U.S.A.

## **Correct Color Wires**

Our harnesses always match the original factory color codes and gauge sizes. We use U.S.A. made Cross Linked Polyethylene type GXL wire which is much more tolerant to heat than the original PVC type GPT wire that was used from the factory.

## **Dip Soldered (when applicable)**

All terminals are dip soldered (when applicable) to limit resistance loss.

## **Correct Connectors & Terminals**

With over 300,000 connectors and terminals in stock you can be sure the harness you receive will look identical to the original.

## **Correct Non-Adhesive & Cloth Tapes**

All harnesses are wrapped with the correct non-adhesive or cloth woven tapes to assure a 100% factory appearance.

## **Technical Support**

We don't expect our customers to be "wiring-wizards", you can call us direct with any technical questions you may have.

## **Custom Modifications**

Custom modifications are available to allow you to convert from an external regulated alternator to an internal regulated alternator. This modification is available for most '63 and up GM cars and trucks. We can also convert many of our engine harnesses to work with H.E.I. distributors and electric chokes. Our modifications retain the factory appearance. Call our Customer Service Department for more details.

## **Reproduction Switches**

We manufacture an extensive line of reproduction switches. These include Turn Signal, Backup Light, Neutral Safety, Wiper, Headlight Switches and others. As with all of our restoration products our switches will fit and function perfectly, just like the originals.

## **Guarantee & Warranty**

We are so confident in the quality of all of our restoration products that we offer the following guarantee and warranty. If you are not 100% satisfied with the quality of any of our restoration products we will give you a full refund. Just return the unused item within 30 days of receipt for a full refund. We also offer a full 1 year replacement warranty on all of the products we sell (see our product warranty sheet for more info).

## **Method of Payment**

We accept Visa, Master Card, American Express and Discover. If you prefer to pre-pay your order, we accept Money Orders, Cashiers Checks or Personal Checks. C.O.D. shipments are also available.
